# VAIN GLORY

A his-and-hers medicine cabinet loaded for the kind of people who need more than Ivory and Crest to get through life

**Skinceuticals Sheer Physical UV Defense SPF 50**  
With mineral filters to deflect the sun's rays, this broad-spectrum block goes on matte and won't irritate like its chemical-filled counterparts (it's good for him, too).

**Sally Hansen Clip 'n' Catch control grip nail clipper**

There is nothing more uncouth than a dude who doesn't keep his nails trim and tidy.

**i-Stubble**

The trimmer features an adjustable comb length to keep the Zach Galifianakis look in check.

**L'Homme YSL Cologne Gingembre**

Real men smell like bergamot, Chinese ginger and cedar.

**Tata Harper Hydrating Floral Essence toner**

The rose and lavender nectars smell meadow fresh.

**Zeno Heat Treat**

Vibrating heat from this gadget helps the accompanying cream lay waste to any style-cramping clogged pores.
