GREEN CLEAN

Live Clean, the Canadian maker of green, plant-derived personal care products, are at it again with a new line of eco-friendly shampoos and conditioners for children.

Called Enviro-Kidz, the tear-free formulas are made with up to 98 percent plant ingredients and are petroleum, paraben and phosphate free. And they smell deliciously fruity. Products include a leave-in spray detangler and 2-in-1 shampoo and conditioner.

Cost: \$6.99 for 275 to 350 mL at Shoppers Drug Mart.
