The Event: New Year's Eve

The scene: You've more than earned a [night out](#). It's a chance to re-connect, relax, reflect on the past year – and have some adults-only fun – no crayons or spilt juice in sight. We'll raise a glass to that!

The outfit: A Sexy Dress + Statement Jewelry + Party Heels. Dress up, literally! A fabulous frock is all in the details, so look for extra special touches to make you feel the same way. Example: a fluttering drape on the back of a halter dress is just what the style doctor ordered. Add [elegant jewelry](#) and shoes that declare 'Tonight is all about fun!' And keep things - from conversation to accessories - light. Grab a clutch for the bare essentials.

Try: Martin Lim for Reitmans Lola dress, \$85, [Reitmans](#)
Shanghai Earrings, \$150, [Swarovski](#)
Enzo Angiolini Trace2 Slingback Peep Toe heels, \$105, [The Bay](#)
Satin Weave Clutch, \$50, [Le Château](#)

Reitmans; Swarovski; The Bay; Le Chateau
