### **A Week in Fashion**

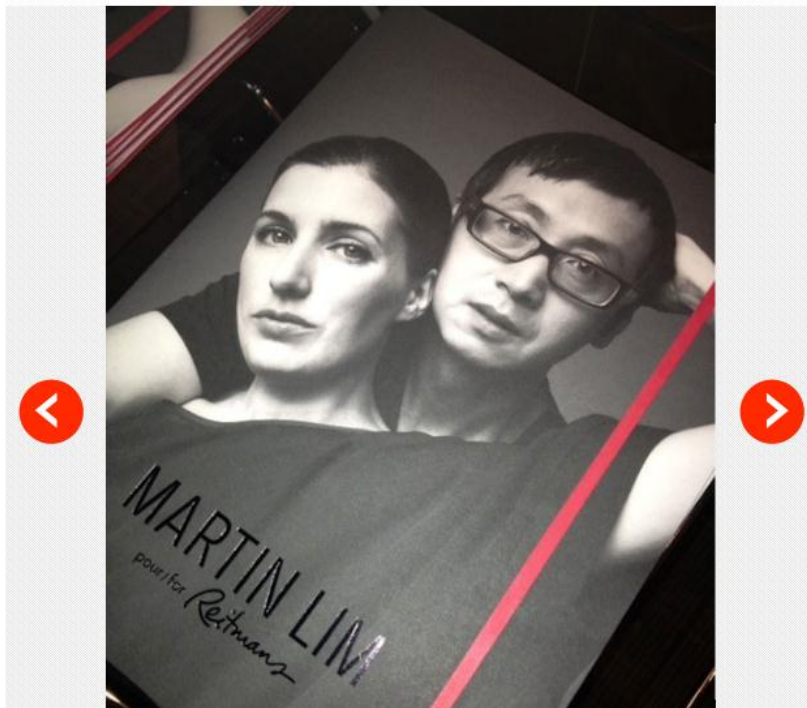

We came, we saw, we shopped. With 2 big store openings, a highly-anticipated capsule collection, and a few birthday parties thrown in for good measure, it was a very busy week for Toronto's fashion elite.

We stopped by the parties to see what all the buzz was about. Here we give you the inside scoop on what went down and why we're already smitten with Ann Taylor.

### **Martin Lim for Reitmans**

**The Event:** A preview of the new Martin Lim for Reitmans holiday collection at Le Germain

**The Scene:** An intimate meet-and-greet with designers Danielle Martin and Pao Lim of Martin Lim to celebrate the new Martin Lim for Reitmans collection of sweet holiday frocks. We checked out the designers' sketches and inspiration boards while a live model tried on the dresses for us.

**The Buzz:** Although their designs cater to all body sizes, editors are overwhelmingly most excited about the flattering body-con options for plus-size women, designed to help curvy girls feel sexy and sophisticated over the holidays.
