The Look: Jailhouse Rock + Stripes

Fun Fact: I've always wanted to a full stripe on stripe look head to toe, and the only thing I was missing was a top until I found this Zara strip blouse online! A perfect top to complete my Jailbird obsession. So many people asked me today if I broke out of prison! (Lol!) [Zara Online](#) just launched in Canada, and now we can order online too.. wooot wooot!!! It also ships really fast because I got it two days later. A new shopping addiction!
