In order to celebrate the launch of [Zara's online shop](#), they sent me a \$150 gift card to fiddle around online.

I decided to check out the swag in store, since I wanted to try the goods on and such. I ended up getting four tops for \$147.50 (including tax!) – the [tiger button up](#) (49.90), linen embroidered tee (11.99 on sale), a blue and gold baroque sweatshirt (39.90) and linen [tarot tee](#) (29.90).

And there she is! I'm pretty stoked to get these a wearin'. I plan to layer the tarot tee and tiger button up together tomorrow, just so you know.
