get dressed . zara

hey canada — online shopping at zara has (finally) opened today! it's a pretty much a guarantee that either lila or cole (usually both) has at least one thing from zara on every day so i've been waiting for this day for what seems like forever. here are some of my favourites (including a few items that already reside in the kids' closets, along with a couple of new additions this morning).

boy

vest . swim trunks . knit hat

girl

floral sweatshirt . vest . lace dress

baby boy

coloured jeans . denim shirt . desert boot

baby girl

shorts . jumpsuit . crochet blucher

they even have a mini section for the teeniest of shoppers. i think i've found a new go to shop for baby gifts!

mini

dress . teeny denim . knit romper

happy shopping!
