## SHOP ZARA ONLINE FROM MARCH 6

*Posted on March 2nd, 2013*

Good news Canadians, Zara will finally open its online doors to shoppers north of the border, and as of March 6 you will have access to the full range to browse and purchase on their site. Just in time for Spring, the coming season's offerings include favourite trends like colourblocks, androgyny, bright prints and classic loose-fitting pants and knits.

Check out their Spring campaign video starring fashion's newest darling Cara Delevingne
