SHADES OF WHITE

Blazer: c/o Zara // Tee: Wilfred // Boyfriend Jeans: AE // Purse: Topshop // Heels: Zara

Last week I was lucky enough to be one of the first to experience Zara Canada's online store (which officially launches tomorrow!! #march6 #dearcanda). I got to pick out a few things for myself, and one of them was this amazing double breasted blazer with great details like zippers and pockets. It just makes me feel like a power girl! You can catch me over today on Fashion Magazine's Style Panel chatting about investment pieces (this blazer included).
