

BRACE YOURSELVES, ZARA ONLINE SHOPPING IS COMING TO CANADA!

Posted March 1st 2013 at 9:00 am by Style Blog

Get ready to freeze your credit cards, folks, because everyone's favourite Spanish fast-fashion retailer **Zara** is finally going to offer Canadians a chance to shop their trendy clothes online! *March 6th* is when the magic will happen, and to be honest with you, I am going to relish not having to go to the store to buy whatever it is my heart desires. I will no longer have to wistfully look at the clothes online, only to find out that they have yet to arrive in stores. I will seize the day, and snag everything I want from the comfort of my couch! Actually...that sounds pretty dangerous, doesn't it?

Now, if only **Zara's** sister brand **Uterqüe** offered a Canadian shopping option, I'd be the happiest girl ever.

Are you excited to be able to finally shop **Zara** online? Share in the comments!
