Confirmed: Zara to Launch Online Shopping in Canada on March 6!

BY THE BACKSEAT STYLERS | FEBRUARY 15TH, 2013

Remember earlier this week when we broke the news that Zara's Canadian e-commerce site was going to be launching very, very soon? We don't like to brag, but we were very, very right. The news is confirmed: the fast fashion retailer will indeed be offering online shopping in Canada starting March 6 - in just a few short weeks!

Mark your calendars and start saving your lunch money because Zara's about to become that much more irresistible. We simply cannot wait! In the meantime, check out the Zara Woman February 2013 lookbook and get excited because online shopping is finally happening.
