## ZARA – CANADIAN E-COMMERCE STORE LAUNCHING MARCH 6, 2013

By KENDRA

They say that good things come to those who wait, and for Canadian fans of international retailer Zara, the wait is almost over. The Canadian-friendly online store is set to launch on **March 6, 2013**, and is chock-full of cozy sweaters, trendy blazers, funky skirts, flirty shoes, and eye-catching jewellery.

And there's even better news for Canadians that are used to paying exorbitant shipping fees: ship your order for free to any Canadian Zara store for pickup, ship it to any Canadian address for just \$5, or ship it express for just \$10. Change your mind by the time it gets to your door? Return the unworn item to a Canadian Zara store within one month for an easy refund.
